

Márcio de Camillo - Linhas Tortas - Crianceiras

Tom: D

D
 Prefiro as linhas tortas como Deus.
D **G** **D**
 Em menino eu sonhava de ter uma perna mais curta
G **A7**
 (Só pra poder andar torto).
D **Fm** **Bm** **Bm** **E**
 Eu via o velho farmacêutico de tarde,
A
 a subir a ladeira do beco,
G **A7** **D** **G** **A7**
 torto e deserto... toc ploc toc ploc.

D **G** **D**
 Ele era um destaque.
D **Bm**
 Se eu tivesse uma perna mais curta,
A **A7**
 todo mundo haveria de olhar para mim:
D **Fm** **Bm** **E** **A**
 lá vai o menino torto subindo a ladeira do beco
G **A7**
 toc ploc toc ploc.
G **A7** **D** **B7**
 Eu seria um destaque.
G **D**
 A própria sagração do Eu.
