

# Marcio Fidelis - A Sete Chaves

Tom: G

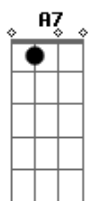

Tô querendo ti encontrar  
 Pra revelar o meu segredo amor  
 Nao da mais pra segurar  
 A verdade é que eu ti amo  
 E voce sabe muito bem  
 Sei que nao quer aceitar  
 A realidade  
 Desde quanto eu te vi ,fiquei louco por você

Seus olhos verdes me facinam  
 Teu perfume me alucina  
 Seu cabelo solto ao vento  
 Foi depois daquele beijo  
 Acho que me apaixonei  
 Vamos viver esse louco amor  
 Antes que agente esqueça  
 Esta guardado a sete chaves  
 Nosso amor pra vida inteira
