

Marcio Magela - Its Time

tom:
G [Intro]

Wake Up !
Jah Sun is on the Rise and is Shining
Again
True light comes to guide us and
Show us the Way
Its Time !
Of rescuing Jah people from prison
In their minds
Breaking mental chains that keep
Them in the dark

[Refrão]

Its Time , Wake up , Its Time !
To Open your eyes
So you can see the Light !
Its Time , Wake up , Its Time !
To Open your eyes
So you can see the Light !
Revelation!
One night i had a vision , like a
Dream but i was awake
I Saw a new world with justice
Light and love like Yeshua said
Revolution!
A New Time has come and the world
Has to change now
When Jah Mission is done Babylon
Throne Will be down

[Refrão]

Its Time , Wake up , Its Time !
To Open your Mind
So you can see The Signs!
Its Time , Wake up , Its Time !
To Open your Mind
So you can see The Signs!

Get Up !
Jah army has to stand together to
Fight
The Great final battle for freedom
And Rights
United!
All brothers and sisters standing
Side by side
With The Legion of Angels in front
And behind

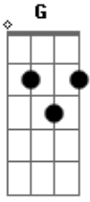

[Refrão]

It's time, wake up, it's time !
To lift up your head
And look to the Sky !
It's time, wake up, it's time !
To lift up your head
And look to the Sky !
Awake!
We see there is no need to compete
Quarrel or Judge one another
Cause walking together, helping each other
Is The key for Jah
Children to prosper!
Evolution !
They won't enslave us no more
Neither blind our Thoughts
Awake and aware of the truth
Through the path of the Lord we can
Reach our Salvation!

[Refrão]

Its Time , Wake up , Its Time !
To Open your heart
Let Jah Love Light your Life !
Its Time , Wake up , Its Time !
To Open your heart
Let Jah Love Light your Life !
