

# Márcio Pinheiro - Voz do Coração

tom: G

Tantos sonhos que um dia planejei  
 E não pude realizar  
 Pois a direção errada eu tomei  
 Quando ouvi tua voz, meu coração  
 Eu me enganei

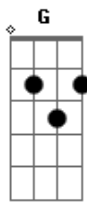

Tantas lutas e problemas enfrentei  
 Mas não tive forças para superar  
 Descobri que és a fonte da emoção

E não foi preparado pra lutar  
 Mas simplesmente pra sentir

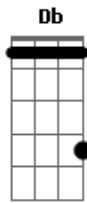

Voz do coração!  
 Não vou ouvir a voz do coração  
 Não posso mais viver pela emoção  
 E nem me envolver com sentimentos

Viver pela fé, inteligente, espiritual  
 E com perseverança, vencerei  
 E todos os meus sonhos conquistarei
