

# Marco Frisina - Hóstia Santa

tom:

C

Ó hóstia santa, tu és o testamento G  
 Da tão grande divina misericórdia  
 Tu és o corpo e o sangue do senhor  
 Sinal de amor por nós pecadores

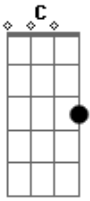

Ó hóstia santa, tu és a nascente  
 Da água viva pra nós pecadores  
 Em ti o fogo puríssimo do amor

A tua divina misericórdia

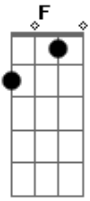

Ó hóstia santa, em ti o remédio  
 Que dá alívio à nossa fraqueza  
 União sagrada entre Deus e cada homem  
 Que confia no teu amor

Ó hóstia santa, és a única esperança  
 Entre as tempestades e as trevas deste mundo  
 Entre as labutas e entre os sofrimentos  
 Agora e na hora da nossa morte
