

# Marcos Antonio - Te Peço Perdão

Tom: C

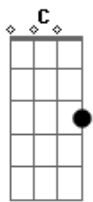

(intro) C C F Fm

Sozinho, dentro do meu quarto, estou a meditar  
 Sofrendo com essa tristeza, que não quer parar  
 e o coração tão machucado, e eu estou desesperado  
 Querendo encontrar a razão por que tudo acabou

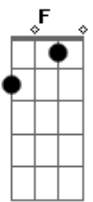

Te peço perdão, senhor mais uma vez

Eu sei que errei, mas vou recomeçar  
 Te peço perdão, preciso de Jesus  
 Estende tua mão pra mim  
 Eu quero ser mais feliz contigo meu Deus  
 E de joelhos eu imploro, ouve o meu lamento  
 É que na contra-mão da vida eu quis me esconder  
 Fugindo de tudo e de todos, era assim o meu lamento  
 De repente o teu amor me lavou por dentro
