Intro: A B Dbm 2X

na segunda vez tem uma variação no Dbm

you will play the fretting until the pre-chorus

no pre-chorus enter the rhythm

Murmur the telephone thinking of me

Connecting regretful only for me to hear

talking that for a month that does not eat right and not

I managed to sleep

Beat the desperation running behind

the game is turning now I want to see

If you want to know I never imagined being capable

of living without you

Pre-chorus 2x:

I'm turning well with pain

Pain passed already I'm going out

And that fool his not anymore

Stayed behind and in a few minutes disappeared

Chorus:

If you want to cry, cry, cry, cry

For me you died, died, died, died

What pain only for grief I am cured here

inside

O fool you forgot me

If you want to cry, cry, cry, cry

For me you died, died, died, died

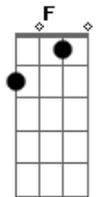

What pain only for grief I am cured here

inside

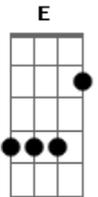

O fool you forgot me

Repeat 2X from the pre-chorus
