Bb

Why you keep

Waiting?  
Waiting? Don't you trust me

Baby, baby

You are the only one

Only one  
Baby only one

Only one

Sometimes you are selfish

But today you help me

With something

I don't see

At all

I know you can love me

I know it can be scary

But I will never hurt you

No, no. Why you keep

Waiting?

Waiting? Don't you trust me

Baby, baby

Always make me crazy

Crazy

Babe, you are the only one

Only why you keep

Waiting?

Waiting? Don't you trust me

Baby, baby

Always make me crazy

Crazy

Babe, you are the only one

Only

Sometimes you are selfish

But today you help me

With something

I don't see

At all

I know you can love me

I know it can be scary

But I will never hurt you

No, no why you keep

Waiting?

Waiting? Don't you trust me

Baby, baby

Always make me crazy

Crazy

Babe, you are the only one

Only why you keep

Waiting?

Waiting? Don't you trust me

Baby, baby

Always make me crazy

Crazy

Babe, you are the only one

Only
