

Marcos Freire - Santo

Tom: C

(intro) C

Os teus olhos passam por toda terra

Procurando os que adorarão

Com tua chama de fogo

Vem me queimar

Outro Deus como Tu não há

Em Espírito e em verdade

Te adorarei

Pois acima de tudo e de todos

Tu és adorado, Tu és

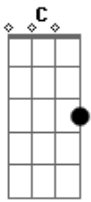

Santo, Santo, Santo

Santo, Santo, Santo

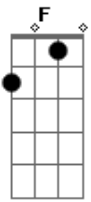

É o cordeiro de Deus

É o Rei que venceu
