Fui buscar o que eu não sou lá em codó

Luizinha me falou nao estou só

Nao fui pra crer nem ser só me jogar

Chegando lá eu me toquei não estou só

Vim aqui pra encontrar o meu lugar

Mesmo se ainda nao achei nao estou só

Se na cidade louca eu vou sem direção

Indo a pé ou de metrô não estou só

Os pés se tornam o caminho

A vela, o vento

O barco, o mar

Me carrega um redemoinho

Ainda que agua preciso ser ar

Sou eu aqui

Ocupo meu lugar

E o que eu sou
