

Marcos Lopes - Human Choice

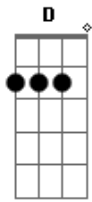

tom:

Intro: Am G D

You been so closed almost to expose to show
 Life was so tough and you become strong and you know
 What you can do in places you choose in vain
 You are not young but feeling strong again

And now you want to make things rights

No rush to decease
 You always trying to keep up
 The feeling still exist
 And if they tell is not your turn
 If they said you are no young
 We will stay alive
