

# Marcos Lopes - World

tom:

**B**

**A** **B**

I've been thinking about myself vaguely

**A** **B**

All the things I've done for myself lately

**A** **B**

If you think you can bring me down for good

**A** **B**

You better think again and keep try to think

**A** **B**

I can't tell how many people I don't know

**A** **B**

No one knows my real name Unknown

**A** **B**

Would you die for love or live forever?

**A** **B**

If I stay or if I go, that doesn't really matter

**E** **A**

There is a man sitting alone

**E**

There is a road without a name

**A**

While woman talk in the phone

**Dbm**

Making promises in vain

**B**

There is a light that shine forever

**Dbm**

Behind the window into your room

**B**

Can you friends stay together

**Gbm A**

When you are feeling alone

**B Gbm A**

Are they will be friends forever?

**B**

Are they will be around and carry on?

**A** **B**

Closed your eyes and you will see my world

**A** **B**

Cover your ears and you will hear my words

**A** **B**

Lovely people are completely alone

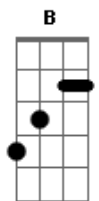

**A**

Are you feeling alone?

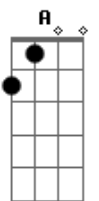

**B**

Can you feel what I am feeling?
