

Marcos Tavares - Então Volta

tom:

G

G

Avisa a que hora vai chegar

Avisa se ainda vem

Vem logo que o café vai esfriar

A

Aproveita que ainda tem

Me liga se a saudade apertar

Me diga se você vai bem

Sei que a vida não tá fácil de levar

E que nunca estive pra ninguém

C

E que o medo faz

E

Correr demais atrás de

Sonhos que nem mais são seus

Mas avisa se ainda for voltar

Que eu tô esperando você chegar

Então volta atrás

Que eu vou te esperar no mesmo lugar

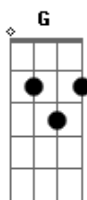

E a porta vai estar sempre aberta então é só entrar

Se lá fora meu Sol continua a brilhar

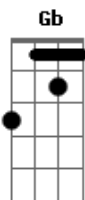

Por hora, é na esperança de você chegar

Então volta
