

# Marcos Yury Deeper - Idiot

Tom: C

Why, why, why am I so idiot?  
 Why, why, why am I so idiot?

Thieves rob me  
 This is so normal  
 They just want it  
 They break me down

F Em F Em G

I was born this way  
 Just a fool inside  
 I always believe in any other guy  
 I don't give a fuck  
 If they will let me die

I won't think this is wrong  
 Because they're alright

They ate my brain  
 They broke my heart  
 Now I got a plan  
 Gonna kill that pure boy

I wanna be bad  
 I need to be bad  
 I wanna be bad  
 I need to be bad

Why, why, why am I so idiot?  
 Why, why, why am I so idiot?
