

Marcos Yury Deeper - Idiot

Tom: C

Why, why, why am I so idiot?
 Why, why, why am I so idiot?

Thieves rob me
 This is so normal
 They just want it
 They break me down

F Em F Em G

I was born this way
 Just a fool inside
 I always believe in any other guy
 I don't give a fuck
 If they will let me die

I won't think this is wrong
 Because they're alright

They ate my brain
 They broke my heart
 Now I got a plan
 Gonna kill that pure boy

I wanna be bad
 I need to be bad
 I wanna be bad
 I need to be bad

Why, why, why am I so idiot?
 Why, why, why am I so idiot?
