

Marcos Yury Deeper - Quero Cantar Minha História

Tom: C

Há tanta coisa guardada em meu interior

Quero expor, quero compor

Sei que não há somente coisas boas

Há temor e dor

Quero cantar

Ser um cantor

Cantor da minha vida ser

Cantar a minha história

Expor minhas feridas

O ontem e o agora

Não esconder quem sou

Preciso de amor

Mas muito antes preciso amar

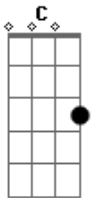

Quero cantar

Quero cantar minha história

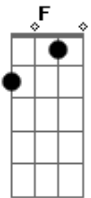

Quero cantar

Quero cantar minha história
