Am

It ain't my fault you keep turning me on

It ain't my fault you got, got me so gone  
It ain't my fault I'm not leaving alone

It ain't my fault you keep turning me on  
I can't talk right now, I'm looking

And I like what I'm seeing

Got me feeling kinda shocked right now  
Could've stopped right now, even if I wanted

Gotta get it, get it, get it

While it's hot right now

Oh my god, what is this

Why you all in my business  
Baby I insist, please don't

Blame me for what ever happens next

[Pré-refrão]

It ain't my fault you

Came here looking like that  
You just made me trip

Fall, and land on your lap  
Certain bad boy swoon

Body hotter than a sun  
I don't mean to be rude

But I look so damn good on ya  
Ain't got time right now

Missed me with ?

It's out of time

I just called an Uber

And it's right outside  
Oh my god, what is this

Why you all in my business  
Baby I insist, please

Don't blame me for what ever

Happens next
