

Marden - Broken Trust

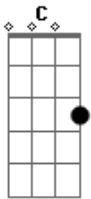

tom:
 C
 Once we were like blood, thick as thieves
 F Am G
 Facing the world together, nothing could deceive
 Am G
 But shadows crept in, dark and cold
 F C
 Secrets kept, lies untold
 Dm Am
 Betrayed, my heart cries
 Dm C
 Torn apart, in disguise

F C
 You broke my trust, shattered it all
 Dm Am
 Like a knife in my back, I took the fall
 F C
 Deceitful eyes, a heart of stone
 Dm G
 You left me here, broken and alone

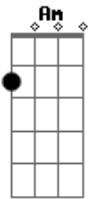

Am G
 Promises made, then torn away
 F C
 In the depths of your betrayal, I lost my way
 Am G
 Your deceitful smile, a masquerade
 F C
 In the end, your true colors displayed

Dm Am
 Betrayed, my heart cries
 Dm C
