Marden - Rise Above

tom:
                                   C

```
              Am                      G
In the face of the storm, I stand tall
F                   C
I won't back down, I won't fall
Am                   G
With courage in my heart, I'll face the night
F                   C
Embrace the fear, I'll shine the light

Dm                      Am
Through the darkness, I'll find my way
Dm                   C
With every step, I'll seize the day

F                   C
I've got the fire burning inside
Dm              Am
No more hiding, I won't subside
F                   C
I'll break the chains that held me tight
Dm  G
With every breath, I'll rise, rise, rise

Am                       G
I'll climb the mountains, I'll cross the sea
F                   C
There's no limit to what I can be
Am                   G
I'll face the trials, I'll embrace the pain
F                   C
With every challenge, I'll break the chain

Dm                      Am
Through the darkness, I'll find my way
Dm                   C
With every step, I'll seize the day

F                   C
I've got the fire burning inside
Dm              Am
No more hiding, I won't subside
F                   C
I'll break the chains that held me tight
Dm                   G
With every breath, I'll rise, rise, rise

Am              G
I'm stepping up, I'm breaking through
F                       C
Fear won't hold me back, I've got something to prove
```
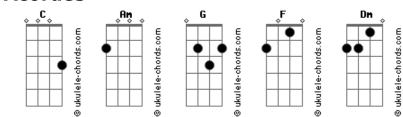

```
Am                   G
With determination, I'll conquer it all
F                   C
I'm standing tall, ready to answer the call

Am                   G
In the streets, I'll make my mark
F                   C
No room for doubt, it's time to embark
Am                   G
Courage flows through my veins
F                           C
In the face of the struggle, I'll embrace the pain

Dm                      Am
I'll rise above the doubts and the fears
Dm                   C
With every beat, the rhythm in my ears

Am                       G
I'll take the stage, I'll own the night
F                   C
With every word, I'll ignite the light
Am                       G
Through the rhymes, I'll inspire and ignite
F                               C
With courage and passion, I'll reach new heights

F                       C
I've got the fire burning inside
Dm                  Am
No more hiding, I won't subside
F                       C
I'll break the chains that held me tight
Dm                  G
With every breath, I'll rise, rise, rise

Am                   G
I'll rise above, I'll take flight
F                           C
With courage as my guide, I'll shine so bright
Am                       G
In the face of the storm, I'll be strong
F                       C
With every challenge, I'll sing this song
Am                   G
I'll rise, rise, rise
F               C
I'll rise, rise, rise
Am                   G
I'll rise, rise, rise
F               C
I'll rise, rise, rise
