

Maren Morris - The Middle

Tom: G

Take a seat ^C right over there, ^G sat on the stairs ^D
 Stay or leave, the cabinets are bare and I'm unaware
 Of just how we got into this mess, got so aggressive
 I know we meant all good intentions

So pull me closer
 Why don't you pull me close?

Why don't you come on over?
 I can't just let you go

Oh baby, why don't you just meet me in the middle?

I'm losing my mind just a little
 So why don't you just meet me in the middle?

In the middle
 Baby, why don't you just meet me in the middle?

I'm losing my mind just a little
 So why don't you just meet me in the middle?

In the middle

Take a step back for a minute, into the kitchen

Floors are wet
 Taps are still running, dishes are broken

How did we get into this mess? Got so aggressive
 I know we meant all good intentions

So pull me closer

Why don't you pull me close?

Why don't you come on over?
 I can't just let you go

Baby, why don't you just meet me in the middle?

I'm losing my mind just a little
 So why don't you just meet me in the middle?

In the middle

Looking at you, I can't lie

Just pouring out admission

Regardless my objection
 And it's not about my pride

I need you on my skin

Just come over, pull me in, just

Oh, baby, why don't you just meet me in the middle?

I'm losing my mind just a little

So why don't you just meet me in the middle?

In the middle, no no

Baby, why don't you just meet me in the middle?

I'm losing my mind just a little

So why don't you just meet me in the middle?

In the middle

Baby, why don't you just meet me in the middle?

I'm losing my mind just a little

So why don't you just meet me in the middle?

In the middle, middle

Acordes
