

# Maria Bethânia - Flor de Ir Embora

Tom: D  
Intro: D Bm Em G D G

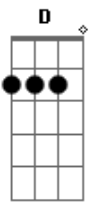

D  
Flor de ir embora  
É uma flor que se alimenta do que a gente chora  
Rompe a terra decidida  
Flor do meu desejo  
De correr o mundo afora  
Flor de sentimento  
Amadurecendo aos poucos a minha partida  
Quando a flor abrir inteira  
Muda a minha vida  
Esperei o tempo certo  
E lá vou eu  
E lá vou eu  
Flor de ir embora  
Agora esse mundo é meu
