

Maria Bethânia - Ilumina

tom:

Cm

Ilumina, ilumina, ilumina Senhora Divina, ilumina

Eu tenho tanta estrada em meu caminho

E muitas ilusões pra tropeçar

Quem segue a tua luz não vai sozinho

Tem sempre uma estrela pra guiar

Transforma minha voz na voz do vento

Que eu levo no meu canto o sentimento de cantar

Retira dos olhos de Deus este brilho divino

Para o meu destino iluminar, ilumina

Ilumina a escuridão, ilumina

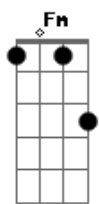

Ilumina quem traz o perdão, ilumina

Ilumina quem trata da flor

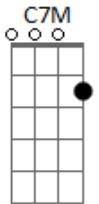

Ilumina quem me iluminou

Iluminado seja o amor
