Intro: Cm7 F7 Am

Era uma vez no meio da vida
Essa coisa assim, tanto mar, tanto mar
Coisa de doce e de sal

Essa vida assim, tanto mar, tanto mar
Sempre o mar, cores indo
Do verde mais verde, ao anil mais anil

Cores do sol e da chuva
Do sol e do vento, do sol e luar

Era eu nua na rua
Usando, abusando do verbo provar

Um beija-flor, flor em flor
Bar em bar, bem ou mal, mergulhar, mergulhar

Sempre menina franzina, traquina

Querendo de tudo tomar
Sempre garota, marota tão louca

A boca de tudo querendo levar
Vida, vida, vida
Que seja do jeito que for

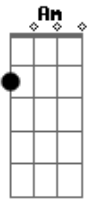

Mar, amar, amor
Se a dor quero o mar dessa dor
Quero o meu peito repleto

De tudo que eu possa abraçar e abraçar
Quero a sede e a fome eternas

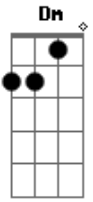

De amar e amar e amar e amar
Vida, vida, vida

[Final] Am Am7 Am7 Am
