

Maria Emília Reis - Sou Um Fado Desta Idade

Tom: G

m

Fados são belas cantigas, alegres, amigas
 Deixem de os cantar tristonhos, dolentes, medonhos
 Façam os fados activos, se os querem ver vivos

Pode o fado ser eterno
 Ritmado, alegre, bailado, moderno

Sou um fado desta idade
 Saltadinho com viveza

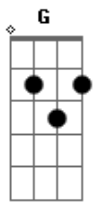

Sabe bem não ter saudade, saudade, saudade

Saudade faz tristeza
 Cá por dentro o sangue ferve
 À moleza vou dar fim
 Sofre tanto que não serve, não serve, não serve
 Não serve p'ra mim

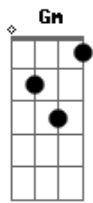

Vamos!... cantem este fado... mexido, marcado
 Fado assim é divertido... pulado, batido

Tem em si um ar de festa, bem nossa, modesta
 Mas que sendo portuguesa
 Perdeu a tristeza, ganhou em beleza
