G G  
You took my hand

G G  
I took your words  
G  
And I believed  
G  
In everything  
Am  
You said to me  
Em  
Yeah huh  
D  
That's right

Refrão:

C D Em  
If someone said three years from now  
G  
You'd be long gone  
C D Em  
I'd stand up and punch them up  
G  
Cause they're all wrong  
C D  
I know better  
Em G  
Cause you said forever  
C  
And ever  
D
