

Maria Mena - You're the only one

Tom: A
Intro: A A D D A A D D

A A D D A A D D
Well, I saw you with you hands above your head,
D spinning around, trying not to look down,
A D D but you did, and you fell, hard on the ground.
A Then you stumbled around for a good ten minutes,
D D And I said I've never seen anyone look so dumb before
A D D And you laughed and said "I still know how to turn you on
though"

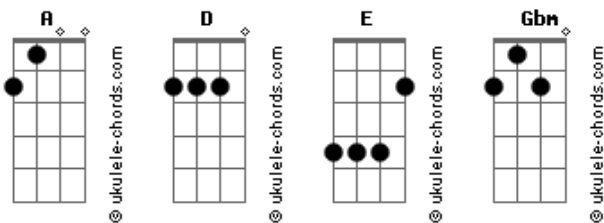

Chorus:
E Gbm
And you are the only one who,
D
drags me kicking and screaming trough fast dreams.
E Gbm
And you are the only one who,
D
Knows exactly what I need

A A D D A A D D

A A D D A A D D
And I probably forgot to tell you this like the time when I
D forgot to tell you about the scar,
A D D remember how uncomfortable that made you feel
A A D D
See you're not what I expected, but you're the only one who
D A A knows how to handle me, and you're such a great kisser, and I
D D know that you agree.

Chorus

leave me!
