

# Maria Mena - You're the only one

Tom: A  
Intro: A A D D A A D D

A A D D A A D D  
Well, I saw you with you hands above your head,  
D spinning around, trying not to look down,  
A but you did, and you fell, D D hard on the ground.  
A Then you stumbled around for a good ten minutes,  
D And I said I've never seen anyone look so dumb before  
A And you laughed and said "I still know how to turn you on  
though"

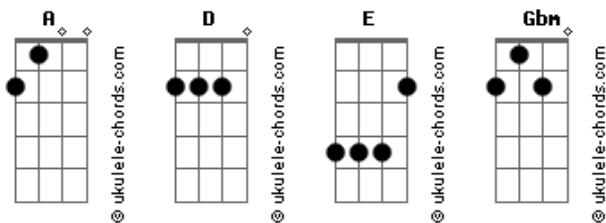

Chorus:  
E And you are the only one who,  
D Gbm  
drags me kicking and screaming trough fast dreams.  
E And you are the only one who,  
D Gbm  
Knows exactly what I need

A A D D A A D D

A And I probably forgot to tell you this like the time when I  
D forgot to tell you about the scar,  
A remember how uncomfortable that made you feel  
D  
See you're not what I expected, but you're the only one who  
D knows how to handle me, and you're such a great kisser, and I  
D know that you agree.

Chorus

## Acordes

A A D D A A D D (x2)

A I hope you can forgive me for that time when I put my hand  
A D between you're legs and said it was small, cause it's really  
D not at all.  
A I guess there's just a part of me that likes to bring you down  
D just to keep you around  
D Cause the day you realize how amazing you are, you're gonna  
leave me!

E Gbm  
And you are the only one who,  
D holds my hear back when I'm drunk and get sick
