

Maria Rita - Dom Quixote

Tom: C

(intro) A A Am F7- F F7- Am

Cavaleiro andante estrela marginal

Sobre o ocinante escravo de metal

Um acorde rasga o céu

Raio negro a cavalgar o som

E cavalgar sozinho... e cavalgar

Viverá pra sempre em nosso coração

O moinho vento nova geração

Um menino vai crescer

Procurando em cada olhar o amor

E caminhar, sozinho... e caminhar

Tanta gente se esconde do sonho com medo de sofrer

Tanta gente se esquece que é preciso viver

Combater moinhos, caminhar entre o medo e o prazer

Somos todos na vida, qualquer um de nós

Vilões e heróis, vilões e heróis

E seja onde for, qualquer lugar

Levar a luz que te conduz

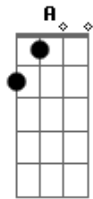

Jamais abando...nar o dom que te seduz

E seja onde for, qualquer lugar

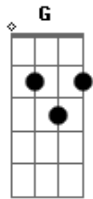

Levar a luz que te conduz

Jamais abando...nar o dom que te seduz
