Eu te falei

Logo assim que cheguei

Não me venha culpar

Se te encontro a chorar

Foi você que não quis me ouvir

Que não quis me escutar

Dm7 G7
Eu logo te disse

Não quis te enrolar

Foi você quem falou

Quem sabe um dia possa mudar

Todo mundo é o que é

E enxerga aquilo que quer

Nunca tive a intenção de te machucar

Dm7 E7 Am7 Am Gb Ab Am7
La laia, laia, lai a

Mas se quer se iludir

Se isso faz te sorrir

F7M Bm7 Ab

Eu não vou te pedir pra partir

Bb Gm7 Em7 A7

Claro você pode ficar

Dm7 E7 Am7 Am Gb Ab Am7
La laia, claro você pode ficar

F G7 C7M G
E saiba amor, vou te falar

Onde quer eu vá pode crer é verdade

F G7 C7M C
Eu sei que é estranho mas o que vai se fazer

Se nem eu mesmo consigo entender

Esse meu jeito de amar

Esse meu jeito de gostar

De querer, de ganhar, de te ter e perder

Esse meu jeito de amar

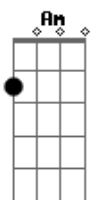

Esse meu jeito de gostar

De querer, de ganhar, de te ter e perder
