Mariah Carey - Bringin On The Heartbreak

```
Burnin' out and burnin' me
  (intro) Am F Am G D2 Bb Em
                                                                             Bh
                                                                       Can't you see?
                                                                       Just try and say to you

G

You're bringin' on the heartache

B

C

G
Gypsy, sitting looking pretty
G D2 Bb Em
a broken rose with laughing eyes
                                                                       taking all the best of me
You're a myst'ry, always running wild G D2 Bb Em
                                                                        C G
                                                                       oh can't you see
like a child without a home
                                                                         C
                                                                       You got the best of me
You're always searching, searching for a feeling G D2 Bb
                                                                       Whoah can't you see?
                                                                                                 Am
                                                                       You're bringin' on the heartbreak

G Am F G

Bringin' on the heartachek
but it's easy come and easy go....
ohoh, I'm sorry but its True,

G D2

you're bringin'on the heartachek
                                                                       You're bringin' on the heartbreak
G Am F G
Bringin' on the heartachek
taking all the best of me
                                                                       Can't you see?
 C G
oh can't you see
                                                                       Can't you see?
You got the best of me
                                                                       Am F G Am C Am G F
Whoah can't you see?
                                                                       No no no
                         Am
You're bringin' on the heartbreak
                                                                       ( C G D2 B )
G Am F G Bringin' on the heartachek
          Am
                                                                       You got the best of \ensuremath{\mathsf{me}}
You're bringin' on the heartbreak

G Am F G

Bringin' on the heartachek
                                                                       Whoah can't you see?
                                                                       You got the best of me
Can't you see?
                                                                            C G
                                                                       Whoah can't you see?
( Am F Am G D2 Bb Em )
                                                                       You're bringin' on the heartbreak
                                                                                      Am F G
You're such a secret, misty eyed and shady
                                                                       Bringin' on the heartachek
G D2 Bb Em
                                                                                      Am
G
Lady how you hold the key
Am F
                                                                       You're bringin' on the heartbreak

G Am F G

Bringin' on the heartachek
Oh you're like a candle, your flame slowly fadin'
```
