

Mariah Carey - Bye Bye

Tom: G

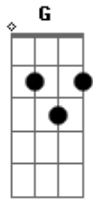

G D Em Bm7 C G Am7 D
 This is for my peoples who just lost somebody
 Your best friend, your baby, your man or your lady
 Put your hand way up high
 We will never say bye (no, no, no)
 Mamma's, daddy's, sisters, brothers, friends and cousins
 This is for my peoples who lost their grandmothers
 Lift your head to the sky
 'Cos we will never say bye
 As a child there were them times
 I didn't get it but you kept me in line
 I didn't know why you didn't show up some times
 On Sunday mornings and I missed you
 But I'm glad we talked through
 All them grown full things separation brings
 You never let me know it, you never let it show
 Because you loved me and obviously
 Theres so much more left so say
 If you were with me today face to face
 (Chorus)
 I never knew I could hurt like this
 And everyday life goes on like
 ?I wish I could talk to you for awhile"
 ?Miss you but I try not to cry"
 As time goes by
 And as soon as you reached a better place
 Still I'll give the world to see your face
 (bye) And be back here next to you
 (bye)It feels like you're gone too soon
 (bye)Now the hardest thing to do is say bye bye
 (Bye bye bye bye bye bye) x3
 Bye bye
 And you never got a chance to see how good I've done
 And you never got to see me back at number one
 I wish that you were here to celebrate together
 I wish that we could spend the holidays together
 I remember when you used to tuck me in at night
 With the Teddy Bear you gave me that I held so tight
 I thought you were so strong

You'd make it through whatever
 It's so hard to accept the fact you're gone forever
 (Chorus)
 I never knew I could hurt like this
 And everyday life goes on like
 ?I wish I could talk to you for awhile"
 ?Miss you but I try not to cry"
 As time goes by
 And as soon as you reached a better place
 Still I'll give the world to see your face
 (bye) And be back here next to you
 (bye)It feels like you're gone too soon
 (bye)Now the hardest thing to do is say bye bye
 (Bye bye bye bye bye bye) x3
 Bye bye
