Tom: G

(intro) D A Gbm Am

D A Gbm  
once upon a time we swore not to say goodbye . something got a hold of us

Am D A  
and we changed . and then you sat at home in pride . and i sat at home and

Gbm Am  
cried how our fairytell just end up this way ...

(prechorus)

D A Gbm  
we went round for round till we knocked love out . we were laying in the

Am D A  
ring not making a sound . and if that's a metaphor of you and i . why is it

Am  
so hard to say goodbye?

(chorus)

D A Gbm  
i can't wait to hate you make you pain like i do . still can't shake you

Am D A  
Gbm  
off .. i can't wait to break through these emotional changes .. seems like

Am D A  
such a lost cause.. i can't wait to face you break you down so low theres

Gbm Am  
no place left to go ..

D A Gbm Am  
i can't wait to hate you o00oooo o0000ooo

This was a life we lived that no one could explain  
I wish like the press would say we would feel that feeling again  
I'd sit and press rewind  
And watch us every line  
Wanna pose it but I can't make it stay

We went round for round  
Til we knocked love out

We would lay in the ring not making a sound  
And if there's a methaphor of you and I  
Why is this so hard to say goodbye?

I can't wait to hate you  
Make you pain like i do  
Still can't shake you off  
I cant wait to break through this emotional changes  
It seems like I'm searching  
I'm lost 'cause  
I can't wait to face you  
Make you down so long  
There's no place left to go  
I can't wait to hateu (baby)  
Oh oooh

No need to call on my phone  
'Cause I've changed my number today  
And as a matter of fact  
I think I'm moving away (away)  
Sorry to frustrations gotta me feeling no way  
And I just keep everyone lasting the same

I just wanna hold you  
Touch you  
Feel you  
I need you  
I miss you  
Baby baby baby  
I try and I try and I fake through  
But there's nothing I can do  
Boy I  
Can't wait to hateu

I can't wait to hate you  
Make you pain like i do  
Still can't shake you off  
I cant wait to break through this emotional changes  
It seems like I'm searching  
I'm lost 'cause  
I ca'nt wait to face you  
Make you down so long  
There's no place left to go  
I cant wait to hateu (baby)  
Oh oooh

I can't wait to hate you

( D A Gbm Am ) até o fim.
