Love is a sport and we?re infamous

Okay  
We both call a reputation  
Been around since day 1  
Baby my A-1  
Know we have a little days  
But yea  
Ain?t nothing like our creation  
Carry on and on and rock with me  
Long as we?re rolling it?s infamous  
I call you bae  
So you know that mean  
It ain?t my last temptation  
I know that my feelings is clouded  
But baby we can?t live without it  
Love, no, game  
Carry on and on and rock with me  
Long as we rolling  
It?s infamous
