

Mariah Carey - Never Too Far

tom:

Intro: You're with me
Till the bitter end
What we had transcends

This experience
Too painful to

[Primeira Parte]

Talk about
So I'll hold it in
Til my heart can mend
And be brave enough
To love again

[Pré-Refrão]

A place in time
Still belongs to us
Stays preserved in my mind
In the memories
There is solace

[Refrão]

Oh, never too far away
I won't let time erase
One bit of yesterday
Cause I have learned that
Nobody can take your place
Though we can never be
I'll keep you close to me
When I remember

[Pré-Refrão]

Glittering lights
You're never too far

Incandescent eyes
Stays preserved in my mind
In the memories
I'll find solace

[Refrão]

Oh, never too far away
I won't let time erase
One bit of yesterday
Cause I have learned that
Nobody can take your place
Though we can never be
I'll keep you close to me
And I'll remember

[Pré-Refrão]

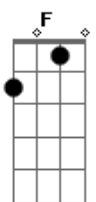

A place in time
Still belongs to us
Stays preserved in my mind
In the memories
There is solace

[Refrão]

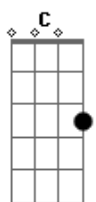

Oh, never too far away
I won't let time erase
One bit of yesterday
Cause I have learned that
Nobody can take your place
Though we can never be
I'll keep you close to me
Always remember

Loo-oo-oo-oo-ve
You're never too far
