

# Mariah Carey - Right To Dream

tom:  
 E  
 I lay awake sometimes  
 Am  
 Scared to close my eyes  
 Em  
 And I wonder where I left myself  
 G  
 And lost the will to fight  
 F  
 And the night melts into morning  
 Am  
 Still it's cold beneath the sun  
 Em  
 'Cause the fire in me is languishing  
 G  
 And I'm too frozen to run  
 F  
 And every once in a while  
 Dm  
 There's a distant glimmer of hope  
 G  
 I find somewhere deep inside  
 C  
 Someone strong still resides  
 Dm  
 And I know she's gonna be fine in time  
 G  
 'Cause, you see  
 D  
 I've got a lot to dream  
 C  
 There's more than this for me  
 F  
 E  
 There's more than this for me  
 Am  
 An angel lands with broken wings  
 Em  
 He warms me with his eyes  
 G  
 And the ice that's sheathed around my heart  
 F

Unravels as he smiles  
 Am  
 See I grew up locked in sorrow  
 Em  
 So I learn to block the pain  
 G  
 But I won't give up tomorrow  
 F  
 'Cause I've come to life again  
 Dm  
 G  
 Every once in a while  
 C  
 There's a distant glimmer of hope  
 F  
 Dm  
 I find somewhere deep inside  
 G  
 Someone strong still resides  
 C  
 F  
 And I know I'm gonna be fine, that's right  
 D  
 'Cause, for real  
 C  
 I've got a right to dream  
 F  
 E  
 There's more than this for me  
 [Dedilhado]
