

# Mariah Carey - Whenever You Call

Tom: Bb

Bb Gm Eb F  
 Love wandered inside stronger than you, stronger than I  
 Bb Gm Eb  
 And now that it has begun we cannot turn back,  
 F Bb  
 we can only turn into one

Bb Gm Eb  
 I won't ever be too far away to feel you,  
 F Bb  
 and I won't hesitate at all, whenever you call  
 Gm Eb  
 And I'll always remember the part of you so tender  
 F Bb  
 I'll be the one to catch your fall, whenever you call

Bb Gm Eb F  
 And I'm truly inspired, finding my soul there in your eyes  
 Bb Gm Eb  
 And you have opened my heart and lifted me inside,  
 F Bb  
 By showing me yourself undisguised

Bb Gm Eb  
 I won't ever be too far away to feel you,  
 F Bb  
 and I won't hesitate at all, whenever you call  
 Gm Eb  
 And I'll always remember the part of you so tender  
 F Eb Bb  
 I'll be the one to catch your fall, whenever you call

Db Ab  
 And I will breathe for you each day,  
 Eb Bb  
 comfort you through all the pain, gently kiss your fears away  
 Db Ab  
 You can turn to me and cry  
 Eb F  
 always understand that I give you all I am inside

Bb Gm Eb  
 I won't ever be too far away to feel you,  
 F Bb  
 and I won't hesitate at all, whenever you call

 I'll be the one to catch your fall, whenever you call
