

# Marian Hill - I want you

Tom: Eb

**Eb**  
Well babe I've got this drink  
Turns out I've got some space

**Cm**  
I love to drink alone  
I hate this empty place

**Ab**  
I'd like to spend some time  
You look like Friday night

**Bb**  
I'd like to dress you up and  
Take you on a carpet ride

**Eb**  
I've seen a couple things  
I know the way it goes

**Cm**  
Like everybody says  
Cause everybody knows

**Ab**  
Maybe you're the one for me  
We could be so cliché

**Bb**  
I hate to see you leave but  
Love to watch you walk away

**Eb**  
I've been so tired on the weekend

**Cm**  
I've been holding on too tight

**Ab**  
I never thought I'd be thinking

**Bb**  
"I want-"

**Eb**  
I spent the whole summer sleeping

**Cm**  
You've been staying up all night

**Ab**  
I never thought I'd be thinking

**Bb**  
"I want you"

**Eb**  
Don't make me play this game  
Don't have the time to waste

**Cm**  
Don't need to read my mind  
Cause I'll just tell you straight

**Ab**  
Why don't you show me 'round?  
And I can show you off

**Bb**

And if we're not too careful  
Baby we can both get lost

**Eb**  
I've been so tired on the weekend

**Cm**  
I've been holding on too tight

**Ab**  
I never thought I'd be thinking

**Bb**  
"I want-"

**Eb**  
I spent the whole summer sleeping

**Cm**  
You've been staying up all night

**Ab**  
I never thought I'd be thinking

**Bb** **Eb**  
"I want you"

**Cm** **Ab**  
I want you

**Bb** **Eb**  
I want you

**Cm**  
So let me take you for a while

**Ab** **Bb**  
Cause I

**Eb**  
I've been so tired on the weekend

**Cm**  
I've been holding on too tight

**Ab**  
I never thought I'd be thinking

**Bb**  
"I want-"

**Eb**  
I spent the whole summer sleeping

**Cm**  
You've been staying up all night

**Ab**  
I never thought I'd be thinking

**Bb** **Eb**  
"I want you"

**Cm**  
I want you

**Ab**  
I want you

**Cm**  
So let me take you for a while

**Bb**  
Cause I want you
