

Marian Hill - I want you

Tom: Eb

Eb
Well babe I've got this drink
Turns out I've got some space
Cm
I love to drink alone
I hate this empty place
Ab
I'd like to spend some time
You look like Friday night
Bb
I'd like to dress you up and
Take you on a carpet ride
Eb
I've seen a couple things
I know the way it goes
Cm
Like everybody says
Cause everybody knows
Ab
Maybe you're the one for me
We could be so cliché
Bb
I hate to see you leave but
Love to watch you walk away

Eb
I've been so tired on the weekend
Cm
I've been holding on too tight
Ab
I never thought I'd be thinking
Bb
"I want-"
Eb
I spent the whole summer sleeping
Cm
You've been staying up all night
Ab
I never thought I'd be thinking
Bb
"I want you"

Eb
Don't make me play this game
Don't have the time to waste
Cm
Don't need to read my mind
Cause I'll just tell you straight
Ab
Why don't you show me 'round?
And I can show you off
Bb

And if we're not too careful
Baby we can both get lost
