

# Mariana Nolasco - I Believe In Us

tom:  
**B**  
 Fragile for believing in love **E** **Abm7**  
 How can you say my heart is weak **Gb**  
 If you can barely love me for an entire week? **E7M**  
 All the things we've been through **E**  
 Made me realize how much I can decide for freedom **Gb7** **Abm7**  
 All I want is to be free **E7M**  
 So listen for a second **Dbm7**  
 Maybe you learn something new **Gb7**  
 All the stories that you've heard **Dbm7**  
 May have another point of view **Gb7** **Gb7**  
 We live in a kingdom **B**  
 Where women don't fly away **Abm7**  
**Dbm7**

Just give me a reason **Gb7** **Gb7**  
 Why Princesses always need a man? **B**  
 We live in a kingdom **Abm7**  
 Where women don't fly away **Dbm7**  
 Just give me a reason **Dbm7**  
 Why do we always need a man? **Gb7** **Gb7**  
**B**  
 To tell What is right  
 To tell you to smile **Gb7**  
 Is better this way they say **Abm7**  
 Be nice **Dbm7**  
 Even when you're not fine **Gb7**  
 Don't cry **E**  
 But I believe it's time to hug all this historic scars **Abm7**  
 And rescue the force of our souls **Dbm7**  
**Gb7**  
 I believe in us and I believe in love

## Acordes
