

# MARIANAx - Cosmic Rain

F tom:

Bb Gm  
Raining days kissed my childhood

Dm It brought a lot of moths

F Bb  
As a message to my heart

Gm  
They took me along the neighborhood

Dm To some realm where I could spend my devotion

Bb Gm  
My eyes couldn't discern what was an illusion

Dm Where this rain comes from

F Bb  
Washing all over the universe

( Gm Dm F )

Bb  
May the rain wash

Gm The dust covering my eyes

Dm May the rain wash

F Bb  
The fear of what life can hide

Gm May the rain wash

Dm All my shades

F Bb  
May the rain wash

All the whispers

( Gm Dm F )

Bb Gm  
Every drop of rain along my skin

Dm F  
Brings me visions of my destiny

Bb Gm

Unleashing sparks of my metamorphosis

Dm F  
Itching all the scars on my body

Bb Gm  
All the moth carries me

Along the bridge

Dm F  
As I get closer more it itches

Bb Gm  
Unleashing sparks of my metamorphosis

Dm F  
Itching all the scars on my body

Bb Gm Dm F  
My body

Bb Gm  
Let the rain wash

(The dust covering my eyes)

Dm F  
Let the rain wash

(The fear of what life can hide)

Bb Gm  
Let the rain wash

Dm F  
Let the rain wash

Bb Gm  
There, on the land where I was marked within

Dm F  
Where all the transformations had to begin

Bb Gm  
Here I'm going in

Dm F  
In the heavy raining water I'm hoping the awakening

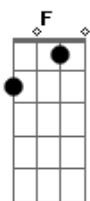

Bb Gm  
Bright rain

Dm F  
Shining rain

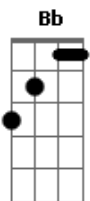

Bb Gm  
Among the space

Dm F  
And may the rain
