

MARIANAx - Cosmic Rain

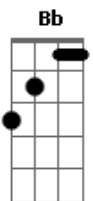

tom:
 F
 Raining days kissed my childhood
 Dm It brought a lot of moths
 F As a message to my heart
 Gm
 They took me along the neighborhood
 Dm To some realm where I could spend my devotion
 Bb Gm
 My eyes couldn't discern what was an illusion
 Dm Where this rain comes from
 F Bb
 Washing all over the universe
 (Gm Dm F)
 Bb
 May the rain wash
 Gm
 The dust covering my eyes
 Dm
 May the rain wash
 F Bb
 The fear of what life can hide
 Gm
 May the rain wash
 Gm
 All my shades
 Dm
 May the rain wash
 F Bb
 All the whispers
 (Gm Dm F)
 Bb Gm
 Every drop of rain along my skin
 Dm F
 Brings me visions of my destiny
 Bb Gm

Unleashing sparks of my metamorphosis
 Dm F
 Itching all the scars on my body
 Bb Gm
 All the moth carries me
 Along the bridge
 Dm F
 As I get closer more it itches
 Bb Gm
 Unleashing sparks of my metamorphosis
 Dm F
 Itching all the scars on my body
 Bb Gm Dm F
 My body
 Bb Gm
 Let the rain wash
 (The dust covering my eyes)
 Dm F
 Let the rain wash
 (The fear of what life can hide)
 Bb Gm
 Let the rain wash
 Dm F
 Let the rain wash
 Bb Gm
 There, on the land where I was marked within
 Dm F
 Where all the transformations had to begin
 Bb Gm
 Here I'm going in
 Dm F
 In the heavy raining water I'm hoping the awakening
 Bb Gm
 Bright rain
 Dm F
 Shining rain
 Bb Gm
 Among the space
 Dm F
 And may the rain
