

MARIANAx - Spirit Of The Reef

tom:

G

Bm

My family always taught me

A

We were spirits before living

G

We belong to places we were happy

Em

F

G

And I can hear this soft calling

Am

C

Whispering in my ears

F

G

And I know there is nothing to be

Afraid of

Am

G

I'm already on my knees

F

Underneath

G

Am

The boards of the sea

F

Underneath

G

Am

G

I'd lie among the reef

F

And I was lost all my life

G

Am

Lost in a storm of fears

F

But underneath

G

Am

G

I know I can finally breathe deeply

F

While I dive in

G

Am

It all seems just clean

C

Just a fraction of pureness

Am

G

And I'm back to the madness

F

G

Am

Hold my hand and dive with me

C

To the end of this era

Am

G

With no more worries in between

F

Underneath

G

Am

The boards of the sea

F

Underneath

G

Am

G

I know I can find a home in the deep

F

And I was lost all my life

Lost in a storm of fears
 But underneath
 Would be just you and me
 Between the earth and sea
 Lilies and offerings
 I'm always in between
 Heading deep
 I can see clearly
 Between the earth and sea
 Jellies and offerings
 Resting in pure relief

(Underneath)

(G Am C)
(Am G)

F G

Underneath

G Am G

The edges of the sea

F G

Underneath

G Am G

I'm lying among the reef

F

And I was lost all my life

G G Am G

Lost in a storm of fears

F

But underneath

G Am

I know I belong to the reef
