

MARIANAx - Spirit Of The Reef

tom:
 G
 My family always taught me
 We were spirits before living
 We belong to places we were happy
 And I can hear this soft calling
 Whispering in my ears
 And I know there is nothing to be
 Afraid of
 I'm already on my knees
 Underneath
 The boards of the sea
 Underneath
 I'd lie among the reef
 And I was lost all my life
 Lost in a storm of fears
 But underneath
 I know I can finally breathe deeply
 While I dive in
 It all seems just clean
 Just a fraction of pureness
 And I'm back to the madness
 Hold my hand and dive with me
 To the end of this era
 With no more worries in between
 Underneath
 The boards of the sea
 Underneath
 I know I can find a home in the deep
 And I was lost all my life

G Am
 Lost in a storm of fears
 F
 But underneath
 G Am G
 Would be just you and me
 F G Am
 Between the earth and sea

 Lilies and offerings
 G Am G
 I'm always in between

 Heading deep

 I can see clearly

 Resting in pure relief
