

# Marie Digby - Say It Agin

tom:  
 Capostraste na 5ª casa  
 Intro: G D Am C

The thing about love  
 Is i never saw it coming  
 It kind of crept up  
 And took me by surprise  
 And now there's a voice inside my heart  
 Its got me wondering  
 Is it true..? I wanna hear it one more time

Move in a little closer  
 Take it to a whisper  
 Just a little louder

Say it Again for me  
 Cause i love the way it feels  
 When you are telling me that i'm  
 The only one who blows your mind  
 Say it again for me  
 It's like the whole world  
 Stops to listen  
 When you tell me you're in love  
 Say it again

( G D Am C )  
 ( G D Am C )

The thing about you  
 Is you know just how to get me  
 You talk about us  
 Like there's no end in sight  
 The thing about me  
 Is that i really wanna let you

## Acordes

Open that door  
 And walk into my life  
 Move in a little closer  
 Take it to a whisper  
 Just a little louder  
 Say it Again for me  
 Cause i love the way it feels  
 When you are telling me that i'm  
 The only one who blows your mind  
 Say it again for me  
 It's like the whole world  
 Stops to listen  
 When you tell me you're in love  
 Say it again

And it feels like, it's the first time  
 That anybody's ever brought the sun without the rain  
 And never, in my whole life  
 Have i heard words as beautiful as when you say my name

Say it Again for me  
 Cause i love the way it feels  
 When you are telling me that i'm  
 The only one who blows your mind  
 Say it again for me  
 It's like the whole world  
 Stops to listen  
 When you tell me you're in love  
 Say it again  
 Say it again
