

Marilia Mendonça - Tô de Volta Pai

tom: G

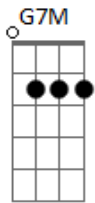

Quanta falta sinto para o seu abraço
 Pra aliviar todo o meu cansaço
 Autossuficiente eu te virei as costas
 Mas odeio o mundo não encontrei resposta

[Refrão]

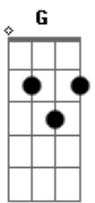

Tô de volta pai

Já deixei os meus medos lá fora
 Encontrei um banquete na mesa
 Que saudade da sua grandeza
 Tô de volta pai
 Obrigada por tão grande amor
 Recebendo quem te abandonou
 Mas eu sou falho
 Tô de volta novamente pros seus braços
