I am the assassin, with tongue forged from eloquence

I am the assassin, providing your Nemesis

On the sacrificial altar to success, my friend

Unleash a stranger from a kiss, my friend

No incantations of remorse, my friend, unsheathe the blade within the voice

My friend, my friend, my friend, my friend

I am the assassin, assassin, assassin

Who decorates the scarf with the fugi knot

Who camouflaged emotion in a thousand yard stare

Who gouged the notches from the family tree

Who hypnotised the guilt in career rhythm trance

Assassing, assassing, assassing, assassing

Listen to the blade

Feel the blade

Listen as the syllables of slaughter cut with calm precision
 Patterned frosty phrases rape your ears and sow the ice incision
 Adjectives of annihilation bury the point beyond redemption
 Venomous verbs of ruthless candour plagiarise assassin's fervour

Apocalyptic alphabet casting spell
 The creed of tempered diction

My friend, your friend, the assassin

My friend, your friend, the assassin

A friend in need is a friend that bleeds

A friend in need is a friend that bleeds

Let bitter silence infect the wound

Let bitter silence infect the wound

I am the assassin, my friend

I am the assassin, my friend

I am the assassin, my friend

I am assassin

2 2

You were a sentimental mercenary in a free fire zone

Parading a Hollywood conscience

You were a fashionable objector with a uniform fetish

Pavlovian slaver at the cash till ring of success

A non com observer - I assassin the collector - defector

So you resign yourself to failure, my friend

And I emerge the chilling stranger, my friend

To eradicate the problem, my friend

Unsheathe the blade within the voice, within the voice

Within the voice, within the voice

And what do you call assassins who accuse assassins anyway, my friend?
