Repeat measure 1 and 2 (intro) several times...
(C,Em,Am,G,F7M,G)

Everybody knows we live in a world
Where they give bad names to beautiful things
Everybody knows we live in a world
Where we don't give beautiful things a second glance
Heaven only knows we live in a world
Where what we call beautiful is just something on sale
People laughing behind their hands
As the fragile and the sensitive are given no chance

And the leaves turn from red to brown
To be trodden down, to be trodden down
And the leaves turn from red to brown
Fall to the ground, fall to the ground

We don't have to live in a world
Where we give bad names to beautiful things
We should live in a beautiful world
We should give beautiful a second glance

And the leaves fall from red to brown
To be trodden down, to be trodden down
And the leaves turn green to red to brown
Fall to the ground and get kicked around

Am7 Am7sus4 F7
You strong enough to be
Have you the faith to be
Sane enough to be
Am7
Honest enough to stay
Am7sus4 F7
Don't have to be the same
Am7 Am7sus4 F7
Don't have to be this way
C'mon and sign your name (F,G,Em)

(F,G,Em)
You wild enough to remain beautiful?
Beautiful, beautiful

(C,Em,Am,G,F7M,G)

And the leaves turn from red to brown
To be trodden down, trodden down
And we all fall green to red to brown
Fall to the ground, but we can turn it around

You're strong enough to be
Why don't you stand up and say
Give yourself a break
They'll laugh at you anyway
So why don't you stand up and be beautiful

Black, white, red, gold and brown
We're stuck in this world
Nowhere to go, turn it around
What are you so afraid of?
Show us what you're made of
Be yourself and be beautiful
