Intro:

Measure 2

Repeat measure 1 and 2 (intro) several times...

(C,Em,Am,G,**F7M,G**)

Everybody knows we live in a world
 Where they give bad names to beautiful things
 Everybody knows we live in a world
 Where we don't give beautiful things a second glance
 Heaven only knows we live in a world
 Where what we call beautiful is just something on sale
 People laughing behind their hands
 As the fragile and the sensitive are given no chance

And the leaves turn from red to brown
 To be trodden down, to be trodden down
 And the leaves turn from red to brown
 Fall to the ground, fall to the ground

We don't have to live in a world
 Where we give bad names to beautiful things
 We should live in a beautiful world
 We should give beautiful a second glance

And the leaves fall from red to brown
 To be trodden down, to be trodden down
 And the leaves turn green to red to brown
 Fall to the ground and get kicked around

Am7 Am7sus4 **F7**
 You strong enough to be
 Have you the faith to be
 Sane enough to be
Am7
 Honest enough to stay
 Am7sus4 **F7**
 Don't have to be the same
Am7 Am7sus4 **F7**
 Don't have to be this way
 C'mon and sign your name (F,G,**Em**)

(F,G,**Em**)
 You wild enough to remain beautiful?
A

Beautiful, beautiful

(C,Em,Am,G,**F7M,G**)

And the leaves turn from red to brown
 To be trodden down, trodden down
 And we all fall green to red to brown
 Fall to the ground, but we can turn it around

You're strong enough to be
 Why don't you stand up and say
 Give yourself a break
 They'll laugh at you anyway
 So why don't you stand up and be beautiful

Black, white, red, gold and brown
 We're stuck in this world
 Nowhere to go, turn it around
 What are you so afraid of?
 Show us what you're made of
 Be yourself and be beautiful
