Everybody knows we live in a world  
 Where they give bad names to beautiful things  
 Everybody knows we live in a world  
 Where we don't give beautiful things a second glance  
 Heaven only knows we live in a world  
 Where what we call beautiful is just something on sale  
 People laughing behind their hands  
 As the fragile and the sensitive are given no chance

And the leaves turn from red to brown  
 To be trodden down, to be trodden down  
 And the leaves turn from red to brown  
 Fall to the ground, fall to the ground

We don't have to live in a world  
 Where we give bad names to beautiful things  
 We should live in a beautiful world  
 We should give beautiful a second glance

And the leaves fall from red to brown  
 To be trodden down, to be trodden down  
 And the leaves turn green to red to brown  
 Fall to the ground and get kicked around

Am7 Am7sus4 F7  
 You strong enough to be  
 Have you the faith to be  
 Sane enough to be  
 Am7  
 Honest enough to stay  
 Am7sus4 F7  
 Don't have to be the same  
 Am7 Am7sus4 F7  
 Don't have to be this way  
 C'mon and sign your name (F,G,Em )

(F,G,Em )  
 You wild enough to remain beautiful?  
 Beautiful, beautiful A

(C,Em,Am,G,F7M,G )

And the leaves turn from red to brown  
 To be trodden down, trodden down  
 And we all fall green to red to brown  
 Fall to the ground, but we can turn it around

You're strong enough to be  
 Why don't you stand up and say  
 Give yourself a break  
 They'll laugh at you anyway  
 So why don't you stand up and be beautiful

Black, white, red, gold and brown  
 We're stuck in this world  
 Nowhere to go, turn it around  
 What are you so afraid of?  
 Show us what you're made of  
 Be yourself and be beautiful
