

Marillion - State Of Mind

```
Tom: C
                                                                                                                                                                                                                                                                                                                                                                       A state of mind
Intro: Am
                                                                                                                                                                                                                                                                                                                                                                        A state of mind
Verse 1:
                                                                                                                                                                                                                                                                                                                                                                        A state of mind
He looked down from the airplane
                                                                                                                                                                                                                                     Am
                                                                                                                                                                                                                                                                                                                                                                        A state of mind
A crack in the clouds opened up he saw a garden of Eden
                                                                                                                                                                                                                                                                                                                                                                        Bridge:
An island in the sea
                                                                                                                                                                                                                                                                                                                                                                        A state of mind is a contagious thing
Staring at the birth of creation
                                                                                                                                                                                                                                                                                                                                                                         Spread it around you never know what the future brings
The earth and the people living, growing, naturally
                                                                                                                                                                                                                                                                                                                                                                        Ready to sow?
Chorus:
                                                                                                                                                                                                                                                                                                                                                                        You ready to grow?
A state of mind
                                                                                                                                                                                                                                                                                                                                                                        Reap what you sow
A state of mind
                                                                                                                                                                                                                                                                                                                                                                        You ready to know?
A state of mind
                                                                                                                                                                                                                                                                                                                                                                        Interlude:
                                                                                                                                                                                                                                                                                                                                                                        F, Bb
F, Bb
A state of mind
Verse 2:
                                                                                                                                                                                                                                                                                                                                                                        Am, Bm
                                                                                                                                                                                                                                                                                                                                                                       A state of mind is a contagious thing % \left( 1\right) =\left( 1\right) \left( 1\right) \left
He came down from the blue sky
                                                                                                    D
Into the noise of a million lives
                                                                                                                                                                                                                                                                                                                                                                        Spread it around you never know what the future brings

                                                                                                                                                     D
                                                                                                                                                                                                                                                                                                                                                                       A state of mind
We're going nowhere till we see we're only
Sisters and brothers
                                                                                                                                                                                                                                                                                                                                                                        A state of mind
                                                                                                                                                                                                                                                                                                                                                                                                            G
                                                                                                                                                                                                                                                                                                                                                                        A state of mind
Chorus 2:
```
